On behalf of the Tulare Basin IRWMP Coordination Committee representing the collective interests of the Kaweah, Kern, Upper Kings, Poso, Tule and Southern Sierra Integrated Regional Water Management Plans (IRWMPs), we would like to send our support for the funding level proposed for the Round 2 Planning Grant for the Southern Sierra IRWMP. The Southern Sierra IRWMP serves the region of the upper watershed to all of planning areas otherwise represented in our coordinating effort and as such we are all very interested to see their planning efforts developed and their plan implemented.

Thank you for consideration of this comment.

Signed,

Richard M. Moss
